

**Cambridge High School**  
**Principal Notes for 1/30/12**  
Angie Lakey-Campbell

Congratulations to our students of the month for November and December. In November Danielle Petitmermet and Brenna Kindall were selected based upon trustworthiness, and in December Ammon Southwick and Hyrum Southwick were selected based upon caring. The character trait for January is responsibility.

Cambridge High School was chosen as one of eight hundred schools to receive new lighting. The lights in our gymnasium have been replaced through a project funded with stimulus money. The Idaho Department of Energy and Idaho Power Company partnered to replace the lights. The lighting project was finished last week. Estimated cost of the project was \$23982 with an estimated annual savings of \$2100.

If your child is a senior, you will probably be interested to know that financial aid professionals, along with other volunteers and tax preparers, will be on hand at Weiser High School to lend their expertise to students and their families, helping them complete the Free Application for Federal Student Aid (FAFSA), at the 2012 FAFSA Completion Event happening from **10:00 a.m. – 2:00 p.m., February 4, 2012**. Also, in order to be eligible for the Idaho Promise Scholarship, your son or daughter must apply to the state university of his or her choice by February 15.

As mentioned last week, the girls' district basketball tournament begins this week. Tri-Valley is scheduled to play the winner between Council and Garden Valley on Thursday, February 2 at 7:30 in the McCall-Donnelly High School gym. The winner of that game will play for the championship on Saturday, February 4 at 7:30 in the McCall-Donnelly High School gym.

Our boys have a light week this week. We are scheduled to play in Horseshoe Bend on Friday, February 3. The JV game is scheduled to begin at 6:00 with the varsity game to follow at 7:30. The last home game for the boys is Wednesday, February 8 when we host Council.

We have chicks!! Mrs. Mink's science classes have been incubating eggs since we returned from Christmas break. When we returned to school Monday morning, we had four baby chicks with several more working their way out of their shells.
