

**Cambridge High School**  
**Principal Notes for 12/19/11**  
Angie Lakey-Campbell

As mentioned last week, the State Board of Education recently sent correspondence regarding scholarships available through the state. To learn more about each scholarship, including eligibility requirements and deadlines, please visit the Board's website at [www.boardofed.idaho.gov/scholarships](http://www.boardofed.idaho.gov/scholarships). Please contact the state office at (208) 334-2270, or [scholarshiphelp@osbe.idaho.gov](mailto:scholarshiphelp@osbe.idaho.gov) if you need further assistance. If your child is a senior and you have someone else prepare your taxes, it is wise to schedule an appointment as close to the beginning of the New Year as possible. Tax returns are required for completion of the financial aid forms.

Technology is great when it works. Some of you have discovered that we have been having trouble with our web server over the past week or so. We apologize for any inconvenience this may have caused, and hope to have it working soon.

Mrs. Boll's health class did a great job of organizing Red Ribbon Week activities! Each day there was an activity during homeroom. The week culminated with Dan Sutton and Dan Duke speaking to the students about their life experiences. A huge thank you goes out to these gentlemen for being willing to give of their time to help our students!

We will have some student activities over the break. Our basketball teams are scheduled to play Pine Eagle in Cambridge on December 23. The JV girls' game is scheduled to begin at 3:00, JV boys at 4:30, varsity girls at 6:00 and varsity boys at 7:30.

The annual Nic Bauer Memorial Scholarship Alumni Games have been scheduled for December 31, 2011 in the Cambridge High School gym. Ladies are scheduled to play volleyball at 3:00 with the men playing basketball at approximately 4:30. Alumni from Midvale and Cambridge High Schools are encouraged to participate. Please encourage all to attend and support a great cause.

In looking ahead to the second semester, driver education will begin in March, which seems like a long time a way. In order to register for driver education, students must have a copy of their birth certificates. If your child is interested in taking driver education, and you don't know where his birth certificate is, it may be wise to order the certificate as soon as possible. Getting a copy takes several weeks.

By the time this article is published, we will have released students for the Christmas break; I hope each of you reading has a Very Merry Christmas and a wonderful new year!
