

Cambridge High School
Principal Notes for 2/6/12
Angie Lakey-Campbell

Congratulations to our varsity girls' basketball team for their recent berth to the state tournament! The Lady Titans defeated Meadows Valley on Saturday night to qualify for the tournament. The Titans will be playing the number two team out of District IV in the 1:15 game on Thursday, February 16 at Nampa High School. The tournament bracket can be found at <http://www.idhsaa.org/sports/basketball/brackets/1112/1ad2girls.htm>

Congratulations also go out to the January students of the month! Wes Hopkins and Elizabeth Damon were selected based upon the character trait of responsibility. The character trait for February is citizenship.

Cambridge School District recently learned that it has been accepted to participate in the Idaho Leads Project. The goal of the Idaho Leads Project is twofold: first, to support and enhance the advancement of educational improvement and reform in Idaho, and second, to share in an easily accessible manner, best practices to all interested districts, schools and charters. Cambridge was one of fifty districts accepted from one hundred fifty applications.

The boys' basketball team will complete its regular season this week. The district tournament is scheduled to begin on February 16. At this time, Tri-Valley is setting in second place and will not play until February 18 at 6:00 in McCall-Donnelly's gym. This week's games could impact seeding for the tournament.

Valentine's Day is just around the corner; please remember our floral shop when considering gifts for your loved ones!
